The Art of Teams

Enabling digital transformation with Office 365 & Microsoft Teams

Due to the onset of the corona virus (COVID-19), Microsoft has decided to make the health and safety of employees, customers and communities, a top priority.

To ensure this they are providing a six month free trial of teams, with all features available. In doing so they hope to support public health and safety by making remote work easier for everyone.

If you would like to know more please get in contact with us and we will ensure that you are properly set up to get the most out of this offer.
